

## GRAPHITE LINES ISSUE PERFINS - ERRATA

A list of perfins noted in the Graphite Lines issues appeared on page 4 of issue No. 211 (June, 1984) and, unfortunately, it contained a number of significant errors. (The Editor takes full responsibility - humble pie is the order of the day !)

The corrections are as follows :-

T & S	on	SG 566	(not 556)
J/LD	on	SG 562	(not 588)
CK	on	SG 593	(not 589)
FRY	on	SG 563 and SG 594	(not 589)
L/&CO/Ld	on	SG 563	(not 589)
C/W/S	on	SG 593 and SG 594	(not just 594)

Other items reported in issue 211 and 212 are correctly identified.
